By answering yes you agree to the following: LIABILITY WAIVER

I wish to be a volunteer at Sunshine Music Fest. I understand that this is a day and nighttime outdoor event with many people in attendance. I also understand that the ground and lighting are uneven; there are many people, temporary facilities and stationary and moving equipment on the grounds as well as many other potential hazards. In further consideration of the benefits given to me as a volunteer at the Sunshine Music Fest, I agree that the Sunshine Folk Festival Society, its directors, employees, contractors, guests and fellow volunteers are not responsible, and are released from any claim that I might have, for any loss, damage, harm,

injury, cost or expense that I might suffer or incur before, during or after the event, at the grounds of Sunshine Music Fest or otherwise in the furtherance of my duties as a volunteer, except in the case of gross or willful negligence on the part of the Society or such persons. I accept the responsibility for my own safety and security and make this waiver: _____
